Enclosed is a copy of current GUIDELINES developed by the Architectural Committee and approved by the Board of Directors on 22 April 1987.

They are effective immediately and require the cooperation of all homeowners to assist the Architectural Committee in maintaining records for each lot.

All previous and future modifications, alterations, and additions shall comply with current guidelines. The only exemptions are grandfathered fences on lots 58-A and 59-A and previously approved submissions.

Every Homeowner which have additions or alterations NOT shown on their Plot Plan and have not submitted an application since 1 January 1987, will be required to do so by 15 MAY 1987. Be sure to read and follow the guideline for which your application is submitted. This will reduce review time and any additional information needed. Remember to submit a separate application for each modification, alteration or addition.

Any observed alteration/addition noted after 15 MAY 1987 will be under review for violation complaint to Anne Arundel County Zoning Enforcement office.

A copy of approved/disapproved application will be returned to Homeowner as soon as it is reviewed.

Also enclosed is a copy of Architectural Committee Duties, Responsibilities, and Restrictions as approved by Board of Directors.

Any suggestions for changes or additions will be reviewed by Architectural Committee.

Any questions regarding guidelines can be forwarded to C.G.P.O.A. at the above address or contact Steve Salmi at 437-9326.

- STRUCTURE REGULATIONS (GENERAL)

1. Two types of structures exist: PRINCIPAL and ACCESSORY.
2. A structure means "anything constructed the use of which requires permanent location on the ground or attachment to something permanently located on the ground." (REF-ART. 28, 1-119 (a)(1)).
3. "In this article, "structure" includes a mobile manufactured home, a parking garage, and a swimming pool." (REF-ART. 28, 1-119 (a)(2)).
4. "In this article, "structure" does not include a walk, a driveway, a fence, or an at-grade parking lot." (REF-ART 28, 1-119 (a)(3)).
5. ""Principal structure" means the structure that is intended to serve the principal use of the lot on which it is located. An accessory structure that is attached to a principal structure, directly or by a breezeway, is part of the principal structure." (REF-ART. 28, 1-119 (e)). An example is your house.
6. ""Accessory structure" means a structure that customarily is incidental and subordinate to the principal use or principal structure located on the same lot as the accessory structure." (REF-ART. 28, 1-119 (b)). An example is an unattached shed.
7. AREA REQUIREMENTS-"No more than 40% of the net area of the lot may be covered by structures, including accessory structures." (REF-ART. 28, 2-505 (b)).
8. YARDS AND SETBACKS-"(a) Each lot in an R5-Residential District shall have:  
(2) side yards at least seven feet wide and with total width of the side yards at least 20 feet, except that a corner lot shall have a side building line at least 20 feet from and parallel to the side street line or right-of-way; and (REF-ART. 28, 2-506 (a)(2)). See diagram 1.  
  
(3) a rear yard that is at least 20 feet deep." (REF-ART. 28, 2-506 (a)(2)).
9. ACCESSORY STRUCTURES-"(a) Each accessory structure in an R5-Residential District shall:  
(1) be located only in a rear yard, except that it may be located in a side yard if screened from the road; (REF-ART. 28, 2-507 (a)(1)).  
(2) occupy no more than 40% of the yard; (REF-ART. 28, 2-507 (a)(2)).  
(3) be located at least 50 feet from the front lot line or street right-of-way; (REF-ART. 28, 2-507 (a)(3)).  
(4) be located at least 10 feet from any side lot line; and (REF-ART. 28, 2-507 (a)(4)).  
(5) be located at least 10 feet from any alley line or the rear lot line." (REF-ART. 28, 2-507 (a)(5)).

10. "...an accessory structure on a corner lot may not be located less than 15 feet from any side street line." (REF-ART. 28, 2-507 (b)).
11. "Any accessory structure attached to a principal structure, including attachment by means of a breezeway or roof passage, shall comply with the requirements of this article concerning principal structures. All other accessory structures shall conform to the requirements for accessory structures in the district in which they are located." (REF-ART. 28, 10-106 (b)).
12. "An accessory structure may not dominate in area, extent, or purpose the principal use or structure to which it is accessory. An accessory structure may not be built without a principal structure." (REF-ART. 28, 10-106 (d)).
13. "Except for a principal use in a mobile home park, where a principal or accessory use occupies a building or is sheltered by a structure, the building or structure shall be permanently attached to the ground or to something having permanent location on the ground." (REF-ART. 28, 10-115).
14. NOTE 1-All references indicated as "LOT LINES" refer to joined lots i.e. "3-A AND 3-B". All references indicated as "PROPERTY LINES" refer to individual Homeowners property line.
15. NOTE 2-In order to prevent future disputes between connecting properties, the unattached side of the principal structure will require a 10 foot setback (minimum) in lieu to the 7 foot required by the County (Ref para 8). This will maintain the total side yard width of 20 feet.

MISCELLANEOUS EXTERIOR ALTERATIONS AND APPENDAGES

1. It is impossible to write guidelines for every individual exterior alteration. When a guideline does not exist, this general guideline will apply.
2. The purpose of this and all guidelines is to maintain and promote the continuity and beauty of the community and each individual Homeowners property value.
3. All exterior alterations, modifications, add-ons, construction and appendages will require an exterior application form to be completed with exception as noted herein, i.e. guidelines.
4. Emphasis should be placed on proper scale to plot plan, materials, colors, and impact on neighboring properties. Sufficient details should be included to permit the Architectural Committee to understand completely what will be done.

MAR 25, 1987

PRIVATE POOLS

1. Private pools are generally discouraged because there are very few locations in the community where they can be placed without adversely affecting adjacent properties and meet Anne.Arundel County Zoning, Health and Building Code regulations.
2. Children's wading pools (those that can be emptied at night) will not require submission of C.G.P.O.A. Exterior Alteration Application.
3. ANY private swimming pool which is built or constructed must conform to C.G.P.O.A. Guideline NO. 1 and the following regulations:
  - a) "A private recreational facility such as a tennis court, basketball court, or at-grade swimming pool that is permitted as an accessory use on a residential lot for a single-family or two-family use shall be located so that the edge of the facility is at least 10 feet from each lot line." (REF-ART. 28, 10-104 (e)(12)).
  - b) "Each private aboveground swimming pool and accessory use for a single- or two-family residential lot shall be located at not less than the minimum setback required for the district from each lot line." (REF-ART. 28, 10-104 (e)(13)).
4. Any private pool 24 inches deep or more or having a surface area 250 square feet or greater or when such pools are permanently equipped with a water recirculating system or involves structural materials MUST conform to C.G.P.O.A. Guideline NO. 3, paragraph 3 and its sub-paragraphs (above) and the following BOCA regulations. (REF-BOCA 616.1).

When skimmers are used for private pools, there shall be at least one skimming device for each 1000 square feet of surface area or fraction thereof. Where overflow gutters are used they shall not be less than 3 inches deep, pitched to a slope of one unit vertical to 48 units horizontal toward drains, and constructed so they are safe, cleanable and that matter entering the gutters will not be washed out by sudden surge of entering water." (REF-BOCA 616.5.3).
  - b) "Walkways--Where curbs or sidewalks are used around any swimming pool they shall have slip-resistance surface for a width of not less than 1 foot at the edge of the pool, and shall be so arranged to prevent return of surface water to the pool." (REF-BOCA 616.5.4).
  - c) "Steps and ladders--At least one means of egress shall be provided from private pools." "Treads of steps and ladders shall have slip-resistant surfaces and handrails on both sides, except that hand rails may be omitted when there are not more than four steps or when they extend the full width of the side or end of the pool." Filters shall not filter water at a rate in excess of 5 gallons per minute per square foot ( $0.0034\text{m}^3/\text{s}\cdot\text{m}^2$ ) of surface area." (REF-BOCA 616.6.1)
- f) "Drainage systems--The swimming pool and equipment shall be equipped to be completely emptied of water and the discharged water shall be disposed of in an approved manner that will not create a nuisance to adjoining property." (REF-BOCA 616.6.2)
- g) "Swimming pool safety devices--Every person owning land on which there is situated a swimming pool, which contains 24 inches (610 mm) or more of water in depth at any point, shall erect and maintain thereon an adequate enclosure either surrounding the property or pool area, sufficient to make such body of water inaccessible to small children. Such enclosure, including gates therein, shall be not less than 4 feet (1219 mm) above the underlying ground. All gates shall be self-latching with latches placed 4 feet (1219 mm) above the underlying ground and otherwise made inaccessible from the outside to small children. A natural barrier, hedge, pool cover or other protective device approved by the governing body may be used so long as the degree of protection afforded by the substituted devices or structures is not less than the protection afforded by the enclosure, gate and latch described herein." (REF-BOCA 616.9)

NOW, THEREFORE, the Declarant and Contract Purchaser, do declare that all of the lots set forth in the above Explanatory Statement of this First Amendment to Declaration shall be subject to the terms of the Declaration, this First Amendment and any future amendments thereto. This Declaration runs with the land and shall be binding on all Lot Owners as defined in the Declaration.

The original Declaration is modified as follows:

RECORDED  
MARCH 30 PM 3:13

1. Article I, Section 5, "Common Area", which defines "recreation area" expressly is limited to that recreation area which has been or is subsequently deeded to the Cottage Grove Property Owners' Association, Inc. and expressly excludes recreation area otherwise appurtenant to the property, including the waterfront recreation area. It is understood that the waterfront recreation area may be deeded to the Association at some future time, but the Declarant, its successors or assigns in no manner or respect is required to do so.

2. Article I, Section 2, is modified in the respect that the property presently encumbered by the Original Declaration and this First Amended Declaration is only that specifically set forth in the Explanatory Statement, to wit: Lots 1A and B through and including 22A and B, and Lots 42A and B through and including 62A and B. Future sections may be incorporated into the subdivision at a later date, in Declarant's sole discretion.

3. Article V, Section 3, regarding Title to Common Area, is modified by the addition of the following language:

"Declarant is under no obligation to title any waterfront recreation area in the name of the Association".

4. Article VI, Section 1, is modified by the addition of an additional paragraph at the close of the present Section 1:

"Notwithstanding any provision to the contrary hereof, the Declarant or any other Class B member shall be required to pay the lesser of 25% of the dues and/or assessments established by this Declaration for each lot owned by it or the total funds necessary after collection of all Class A members' dues and assessments to meet the budgeted expenditures of the Association on an annual basis. "

5. Article VI, Section 2, regarding the Purpose of the Assessments, is to be clarified by the addition of a paragraph after the first paragraph of that Section which provides as follows:

"Notwithstanding any provision hereof, it is understood and agreed that the assessments shall be used only for the purpose of maintaining all non-public improvements to the property. Public street improvements, including storm drains and the like, sidewalks, roads, street safety lighting systems, or the like, which are owned or maintained by Anne Arundel County shall not be maintained by the Association."

6. Article VI, Section 3, regarding Initial and Maximum Annual Assessment amount, is modified by the deletion of the phrase "Fifty Dollars (\$50.00)" at the end of the first paragraph thereof and the insertion of the phrase "Eighty Five Dollars (\$85.00)", so that the first paragraph shall read as follows:

"Until January one of the year immediately following the conveyance of the first lot to an Owner, the initial and maximum annual assessment for each lot shall be Eighty Five Dollars (\$85.00)."

7. Article VI, Section 4, is modified by the addition of a full additional paragraph after the first paragraph thereof, which paragraph will read as follows:

"The Class B members shall pay an annual assessment pursuant to Article IV. All assessments shall commence as to each Class B lot owner only after conveyance of a lot to a Class A lot owner and then shall be as established in Article IV.

8. Article VIII, Section 1, regarding the construction of buildings, an additional paragraph shall be inserted after the first full paragraph thereof, which shall provide as follows:

"The prohibition on the construction of buildings as set forth in this Article VIII, Section 1, shall pertain only to outbuildings such as sheds, in-law apartments, or the like. It shall not be construed to prevent the erection of an attached garage or a free-standing garage as permitted by the Anne Arundel County Code, provided that such garage is approved pursuant to Section III hereof regarding an Architectural Committee.

9. Article VIII, Section 2, regarding Nuisances, in the fifth full sentence thereof, the sentence which provides as follows:

"No commercial or industrial vehicle(s), junk vehicles, campers, trailers, boats, etc., shall be regularly or habitually parked in front of any lot or within the Common Areas."

shall be modified by the addition of the following phrase after the words "Common Areas", to wit:

"except and unless such parking within a Common Area is in an area designated therefor by the Declarant; Declarant shall exercise reasonable judgment in establishing a parking area for boats, trailers, and the like, within a recreation area of the Cottage Grove Subdivision."

10. Article VIII, Section 3, regarding an Architectural Committee, is amended by the addition of the following paragraph at the close of that Section, which provides as follows:

"Notwithstanding the Board of Directors' right and authority to appoint an Architectural Committee, no such architectural rules or regulations will in any case be applicable to the Declarant or the Contract Purchaser. All subsequent purchasers other than Declarant or the Contract Purchaser shall be subject to the Architectural Committee's Rules and Regulations.

All Explanatory Statements commencing this Declaration are hereby incorporated by reference.

IN WITNESS WHEREOF, the undersigned, being the parties now having an interest in the land, hereunto set their hands and seals in the manner hereunto made and acknowledged.

The Declarant, for each Lot owned within the Property, hereby covenants, and each owner of any Lot by hereafter accepting a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay the Association: (1) annual assessments or charges as established from time to time, and (2) special assessments for capital improvements or any other purpose with such assessments to be established and collected from time to time as hereinafter provided. However, the assessment to any Declarant for all vacant homes and unimproved lots, title to which has not been transferred, shall be equal to the total operating budget of the Association less the regular and special assessments to be collected in that same time period from all other Lot Owners.

The annual and special assessments, together with interest, costs of collection thereof and reasonable attorneys' fees shall be a charge on the land and shall be a continuing lien until paid, upon the lot against which each such assessment is made. Section 2. Purpose of Assessments. The assessment levied by the Association shall be used exclusively within Cottage Grove to provide and maintain common areas, street improvements and maintenance as necessary, sidewalks, public safety, and a street safety lighting system (on-site and off-site) which is to be installed and maintained by Baltimore Gas and Electric Company, the aesthetic appearance of Cottage Grove and environs, and other purposes and operations; all funds shall be disbursed only as permitted and sanctioned for exempt organizations under Section 501(c)(3) of the Internal Revenue Code together with any amendments or supplements thereto.

In no event shall any assessment, general or special, or any other funds collected by the Association be used for purposes of commencing, continuing or concluding litigation against the Declarant or its assigns, in whole or in part, or to take any zoning appeals, contest any zoning or other administrative decision of Anne Arundel County or its subsidiary authority, including litigation or appeal of any matter that might come before the jurisdiction of the Anne Arundel County Board of Appeals.

Section 3. Initial and Maximum Annual Assessment. Until January one of the year immediately following the conveyance of the first lot to an Owner, the initial and maximum annual assessment for each lot shall be Fifty Dollars (\$50.00).

(a) From and after January one of the year immediately following the conveyance of the first lot to an Owner, the maximum annual assessment may be increased each year by the Board of Directors, but not more than five percent (5%) above the maximum assessment for the previous year.

(b) From and after January one of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above the five percent (5%), but only after two-thirds (2/3) affirmative vote of each class of Members. The limitations hereof shall not apply to any change in the maximum and basis of the assessment undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

(c) After consideration of current expenses and the future needs of the Association, the Board of Directors shall set the annual assessment for each Lot at an amount not to exceed the maximum permissible assessment as hereinabove defined. Until other positive action by the Board of Directors is taken, the continuing annual assessment for each Lot shall be Fifty Dollars (\$50.00).

Section 4. Date of Commencement of Annual Assessments; Due Dates. The first annual assessment provided for herein shall commence as to all Lots on the first day of the month following the conveyance to the Association of the Common Areas. The first annual assessment of each such Lot shall be pro-rated according to the number of months remaining in the fiscal year and shall be a charge and lien due and payable in the year of the assessment either at the time of transfer of ownership from Declarant or on December 15th of such year, whichever shall occur the sooner. Declarant shall pay all assessment charges on each Lot for the full month in which Declarant transfers initial ownership thereof.

The remaining unsubdivided part of Cottage Grove aforesaid, after subdivision and annexation thereof as herein defined, shall be similarly assessed as to all residential Lots so annexed, the first day of the month following the conveyance thereof by Declarant to Association of the Common Areas associated with such annexed property. Common Area shown on the subdivision plat of the Annexation Property. Such assessment(s) shall be pro-rated and paid at the time and in the same manner and amount as for all other residential lots in Cottage Grove as determined by the provisions hereof.

Thereafter, all annual assessments shall be levied on January one of each year. The Board of Directors shall fix the amount of the annual assessment against such lots at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner. The due dates for payment of the assessments shall be established by the Board of Directors from time to time and may be paid pro rate on a monthly basis if the Board of Directors so elects.

The Association shall upon demand in writing by the Owner or his proper representative at any time furnish a Certificate in writing within six (6) business days signed by an officer of the Association, setting forth the amount of all assessments on any specified lot and whether or not such has been paid. The Board of Directors shall appoint an Agent to perform this public service and a reasonable charge may be made by the Board for the issuance of a Certificate. Such Certificate shall be conclusive evidence of payment of all outstanding assessments against such lot unless otherwise therein stated. Failure to furnish such Certificate as prescribed herein shall bar and prohibit the Association from thereafter enforcing its lien upon said lot for the amount of the unpaid assessment. The provisions hereof do not affect the continuing personal liability of the then Owner of the lot to pay such outstanding assessment.

Section 5. Special Assessments for Capital Projects. In addition to the annual assessments authorized above, and upon the two-thirds (2/3) affirmative vote of each class of the Members, the Association may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or

capital improvement within the Common Area, including the necessary fixtures and personal property relating thereto. Any special assessment, when levied, shall contain an explanation of the terms and method of payment therefor.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all lots except for the special condition of limited duration applicable to a Declarant as noted hereinbefore.

Section 7. Quorum for any Action Authorized Under Sections 3 and 5. Written Notice to the Members shall precede any action of the Association authorized under Sections 3 or 5 hereof. At the meeting called pursuant to such notice, the presence at the meeting of Members, in person or by proxy, entitled to cast seventy five percent (75%) of all the votes of each class of membership entitled to vote shall constitute a quorum. If the required quorum is not forthcoming at such meeting, another meeting shall be called, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. However, no subsequent meeting to establish a quorum shall be held more than sixty (60) days following the original meeting for which notice was given.

Section 8. Effect of Nonpayment of Assessments; Remedies of Association. Any assessment which is not paid when due shall be delinquent. An assessment shall bear interest from the date of delinquency at the rate of twelve percent (12%) per annum, and the Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property, with interest, costs, and reasonable attorneys' fees for any such action added to the amount of such assessment. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his lot.

Section 9. Subordination of the Lien to First Mortgage.

The lien of the assessments provided for herein shall be subordinate to the lien of any assumption, purchase money, construction or other bona fide first mortgage. Sale or transfer of any lot shall not affect any of the assessment liens; EXCEPT the sale or transfer of any lot which is subject to any first mortgage, pursuant to a decree of foreclosure under such first mortgage or proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments (but not the personal obligation of the debtor) as to payments thereof which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Property and placed upon the dividing line between the lots shall constitute a party wall. If there is a party wall, then the following provisions shall apply:

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the costs of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.
